Antonio Citterio with Oliver Löw

A collection of tables ideal both for the home and the office, characterised by a sophisticated design and elegant finishing. The light, chromed steel structure is special for its use of a crisscross element which connects the legs on each of the four sides to support a polished polyester or laminate top. The collection comes in square, oval and round versions (packed into a practical flat package) and in three elegant colours: black, white and red. Easily combined with other items, the square tables can bring work surfaces to life even in the most prominent areas of the office, such as the meeting room.
